THE HONEY~DO HELPERS

an outreach mission of The Summit United Methodist Church

We have a heart for those of you in our community who need a helping hand; just a little help with a repair, or to renew your home in some way, to make it safer or more functional for your needs. Realizing that the need may be greater than our time and resources may allow immediately, we are taking applications to help us evaluate how we can best assist as many people as possible, as quickly we possible. Please fill out the form below completely, then give it to one of our members or mail to the address below. We regret we may not be able to accommodate everyone, but we will prayerfully give every application consideration and communicate the outcome in a timely manner.

Briefly explain your need _____

Do you already have any of the materials needed or would you be able to assist with the cost of any materials needed? Is there a family member or friend who might be able to act as a helper? (This will not determine whether we will assist or not, but will better inform us of what is needed.)
